

CHRISTINA DSILVA

WEB DEVELOPMENT

+91 91451 70913 • Bangalore, KA, India • christi.dsi@gmail.com • [Linkedin](#) • [Portfolio Website](#)

SUMMARY

Web Developer specializing in building responsive, user-focused interfaces using HTML, CSS, JavaScript, and React, focused on building clean, responsive, and accessible user interfaces. I turn wireframes into functional apps, develop dynamic systems, and build performance optimized web applications. Strong interest in UI/UX and product thinking, with a focus on creating intuitive and scalable digital experiences.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React, Python

UI/UX: Figma, Wireframing, Responsive Design

PROJECTS

Cancer Awareness & Hospital Support Web Page [View Here](#)

- Built a responsive, multi-section webpage with dynamic content and interactive UI
- Integrated location-based hospital listings and a carousel for user engagement

Menstrual Health Awareness Runner Game: [Play Here](#)

- Developed a mobile-friendly 2D runner game using HTML Canvas with custom animations
- Optimized smooth canvas rendering, optimized collision and scoring systems.

Lifestyle Brand E-Commerce Website- Agape Creations [View Here](#)

- Built a React-based e-commerce platform with filtering, cart, and multi-step checkout flow
- Implemented global state management using Context API for seamless cart updates.

INTERNSHIPS

Full Stack Development Intern **-Future Interns**

- **Frontend Development:** Programmed responsive web applications and a live e-commerce storefront using React and Tailwind CSS, managing deployments via Vercel.
- **UI/UX & Brand Strategy:** Redesigned workflows to minimize cognitive load, while executing comprehensive visual branding, packaging design, and social media content calendars.

Web Development Intern **- Rubrik Reset**

- **Frontend Architecture:** Built a responsive React and Tailwind e-commerce platform with modular UI components, optimizing navigation to reduce cognitive load.
- **State & Checkout:** Engineered a global cart using React Context API and a custom multi-step checkout flow featuring simulated UPI integration.

CERTIFICATIONS

Web Development Fundamentals **- IBM SkillsBuild**

EDUCATION

Bachelor of Computer Applications **June 2023 - May 2026**
St Joseph's University, Bengaluru

OTHER EXPERIENCE

Head of Operations- Cybernetics Association (St. Joseph's University) **June 2024 - May 2025**

- Directed and coordinated tech events (200+ attendees), managing logistics, vendors, volunteers, and timelines while leading teams to ensure smooth execution and strong communication.

Project Management Certification **-Swayam by IIT Roorkee**
